

Graceful Ballet

This **6-8 year old** is 1 hour in length and ballet shoes are required. Students will learn spatial awareness, fluidity of movement, and begin to develop a strong core with the introduction of barre.

Graceful Intermediate

This **6-9 year old** class is 1 hour in length and both tap and jazz shoes are required. Students will further grow their musicality, rhythm and spatial awareness through intermediate tap and jazz skill development.

Homeschool Class

This **4-12 year old** class is 45 minutes in length and ballet shoes are required. Students will learn ballet and work on spatial awareness and fluidity in movement.

Intro to Ballet Prep

This **7-9 year old** class is 1 hour in length and ballet shoes are required. Students in this class are more serious in their focus and are looking to advance more quickly into Ballet Prep (teacher recommendation is advised). They continue developing spatial awareness, fluidity of movement, and a strong core at barre while adding more elements of the basic ballet classroom format (barre, adagio, petit allegro and grande allegro).

Intro to Contemporary

This **6-9 year old** class is 45 minutes in length and no shoes are required (though foot undies may be preferred). Students will learn how to move fluidly and understand concepts of musicality and emotion through basic contemporary skills.

Mini Musical Theater

This **5-8 year old** class is 30 minutes in length and tan character shoes are required for female dancers. Students will learn beginning musical theater skills to help with stage performance and build overall confidence.

Breakdance

This **5-12 year olds** class is 45 minutes in length and students will learn perseverance and team building skills through the basics of breakdancing.

Hip Hop

This **6-12 year old** class is 1 hour in length and sneakers are required. Students will learn musicality, rhythm and team building skills through the basics of hip hop.
